This is your request to transfer. iPensions Group will not allow transfers to schemes where there are concerns about its regulatory status. Further, iPensions Group will review all transfer out requests, and, where appropriate, exercise discretion to insist on the form of the transfer (cash). This may be for a variety of reasons, including the investment type held under your SIPP and its ongoing investment charges.

07. Lump Sum Allowance Excess

The lump sum allowance (LSA) is a tax-free limit lump sum paid from a registered pension scheme. Transfers to QROPS does not reduce the LSA, but the overseas transfer allowance limits how much can be transferred to QROPS without a tax charge

08. Member Declarations

I request the transfer of my benefits held within The Scheme to the Receiving Scheme detailed in Section 3. I understand that the amount of the transfer payment will depend on the valuation of the assets at the date the assets are encashed or assigned (in the case of an in-specie transfer) and is made subject to any fees or tax applicable. The amount of the transfer payment may be higher or lower than the valuation of my benefits held within The Scheme.

I authorise the release of any details or information:

- i. about my pension benefits to the Receiving Scheme, as they may request from you; and
- ii. by the Receiving Scheme to you, as you may request to process my transfer.

I understand that neither the Trustees, Scheme Administrators nor Provider of The Scheme is responsible for any quotation or literature issued or representation made on behalf of the Receiving Scheme(s).

I acknowledge that in complying with my requirement to pay the transfer value as requested the Trustees and Scheme Administrators are discharged from any obligation to provide me, my spouse or dependants with any further entitlement under The Scheme.

I understand that it is my responsibility to confirm with the QROPS Scheme Manager that the Receiving Scheme meets the requirements to be a QROPS and acknowledge the importance of taking independent, professional advice before proceeding with the transfer to help me meet this responsibility.

I understand that Scheme Administrators are obliged to report this transfer to Her Majesty's Revenue and Customs (HMRC). Should the transfer be deemed to be unauthorised by HMRC or if the Receiving Scheme is later found to not have met these requirements then:

- A transfer of funds might not be a recognised transfer and may be treated as an unauthorised payment giving rise to a liability to pay tax in the UK.
- A further payment made or deemed to be made may be treated as an unauthorised payment giving rise to a liability to pay tax in the UK.

08. Member Declarations (continued)

I understand and agree that I will be wholly and personally liable for any tax charges due and any resultant penalty as may be imposed by HMRC because of an unauthorised payment due to information in this form being incorrect or incomplete. I understand that none of the Trustees, Scheme Administrator nor Providers are liable for any claim in the event of further tax becoming payable as a result of this transfer.

I understand that the benefits provided by the Receiving Scheme may be in a different form and of a different amount to those which would have been payable under The Scheme

Access to funds is normally only permitted for those over age 55 (except on grounds of permanent ill health) who follow a formal retirement process set out by the Trustees or Employer of the Receiving Scheme and within the applicable legislation. I understand that any such payment before age 55 would constitute an unauthorised payment for tax purposes and as a result would be subject to a tax deduction and may also be subject to additional tax penalties.

I confirm that my current tax residency is as declared in this form.

I understand that should my tax residency change, it is my sole responsibility and a legal requirement to advise iPensions Group immediately and in any event no later than 60 days of any change to my country of tax residence occurring.

I understand that in certain circumstances a transfer of my SIPP funds and/or assets could give rise to a liability to pay an OTC in the UK. I understand that I am jointly and severally liable to the OTC should this charge arise, along with the scheme administrator. Furthermore I understand where the OTC is payable at the point of transfer, the charge will be deducted from my SIPP fund prior to any transfer being paid by the Scheme Administrator and paid to the HMRC, unless otherwise agreed with the Scheme Administrator. In this instance, I understand I will be jointly and severally liable to the charge with the Scheme Manager of the QROPS at the time of the event triggering the OTC.

I understand where the transfer is subject to the OTC and where I subsequently satisfy one of the conditions within the relevant period, a repayment of the OTC may be claimed, subject to my notifying the Scheme Administrator(s) before the cut-off date, which is one year after the end of the relevant period for the transfer concerned.

I therefore hereby irrevocably and unconditionally agree to fully and effectually indemnify and keep indemnified iPensions Group from and against any tax liability, charge or interest of whatever nature (including all associated costs) that may be incurred by iPensions Group as a result of any false or incorrect declaration I have made, or failure to notify them of any change in my tax residency within the required timeline, which ultimately results in a liability being imposed.

I acknowledge that I have read the additional information at the end of this document, including the recommendation from iPensions Group to review the 'pension scam' information available to individuals from the Pensions Regulator or Pensions Advisory Service before I sign these transfer discharge forms. If I have any concerns regarding this transfer, I understand that I should raise these concerns with iPensions Group or seek regulated financial advice before signing this discharge form.

The information I have provided within this form is true and accurate to the best of my knowledge.

The above member has authorised us to accept the transferring benefits from The Scheme pursuant to the applicable relevant legislation.

We warrant and undertake to the Trustees of the iPensions Group Scheme that all relevant requirements of the relevant legislation have been satisfied and in particular that:

- The Receiving Scheme satisfies all requirements to be a Recognised Overseas Pension Scheme under applicable UK Laws and to be a Qualifying Recognised Overseas Pension Scheme (QROPS) in accordance with Her Majesty's Revenue and Customs (HMRC) requirements and all other applicable UK Statutes, Statutory Instruments, Regulations and rules and orders having the force of law and will continue to do so from the date of this declaration and the date of the transfer.
- The Receiving Scheme is not aware of any as yet undisclosed reason that would cause HMRC to exclude the Scheme from being a QROPS and in the event this occurs between the date of this declaration and the date of transfer, it will notify the Administrators of The Scheme immediately.
- The Scheme Manager will comply with HMRC's rules for re-notification of ROPS status at least every five years, which takes effect from 6 April 2016.
- The Receiving Scheme is willing and able to accept payment of the transfer value in respect of this Member's rights under The Scheme and the terms of the Receiving Scheme's governing documentation allows such transfers to be accepted.

Additional Information

Transfer to QROPS

We are only able to proceed with a transfer to an overseas scheme if the scheme is a QROPS. Otherwise, a pension transfer to an overseas scheme will give rise to an unauthorised payment charge.

A transfer to a QROPS may affect the range of drawdown options available to you at retirement and beneficiaries and your benefits may also be subject to different tax provisions. If you are in any doubt about the transfer or the range of benefit and the taxation treatment, we recommend that advice is sought from a suitably qualified adviser, on transferring your benefits from the UK and the consequent tax implications.

Pension Scams

The Financial Conduct Authority, The Pensions Regulator and MoneyHelper have published material for individuals to alert them to the dangers of "Pensions Scams".

Many of the offers seem very convincing, offering a free pension review, early pension release, a legal loophole, pension loans or offers of excellent returns.

However, once you've transferred your money into a scam, it is too late. You could end up losing all your pensions savings and in some cases face a tax bill of up to 55%.

Before you sign any transfer discharge forms, we strongly recommend you read the pension scam information available on the Financial Conduct Authority, the MoneyHelper and Pensions Regulator websites which can be accessed as follows:

- <https://www.fca.org.uk/scamsmart/how-avoid-pension-scams>
- <https://www.thepensionsregulator.gov.uk/en/pension-scams>
- <https://www.moneyhelper.org.uk/en/pensions-and-retirement/pension-wise>

If you have any queries or concerns in this regard, please let us know immediately.

Annex I

Overseas Transfer Charge (OTC)

The OTC was introduced in the Finance Act 2017 on certain transfers from a UK Registered Pension Scheme¹ to an Overseas Scheme. Transfers requested before the 9th March 2017, are not assessable to the OTC.

EEA Tax Resident

Where a Member is EEA tax resident, the OTC will not apply on any transfer to this Scheme.

The transfer will be ring fenced within the Scheme.

Should the Member become non EEA tax resident at any time within five full consecutive UK tax years of the UK transfer ("relevant period"), the OTC will become payable and the Scheme Administrator must deduct 25% of the remaining QROPS ring fenced funds and remit the tax to HMRC.

At the end of the relevant period there is no further liability to OTC.

Non EEA Tax Resident

Any transfer to this Scheme will be liable to a 25% OTC on the transfer value.

However, where the OTC was payable on the transfer and the Member subsequently become EEA tax resident (or transfers to another QROPS which satisfies the conditions as below), within the relevant period, the OTC can be reclaimed by notifying the UK Scheme administrator, before the cut-off date which is one year after the end of the relevant period for the transfer concerned.

Onward Transfer to Another QROPS

Where a Member subsequently transfers any ring fenced funds to another QROPS during the relevant period to another QROPS, the transfer will be liable to a 25% OTC on the transfer value, unless one of the following five conditions are met:

1. The Member is resident in the same country / territory in which the receiving QROPS is established.
2. The Member is tax resident in the EEA and the receiving QROPS is established in the EEA².
3. The QROPS is set up by an international organisation of which the Member is an employee.
4. The QROPS is an overseas public service pension scheme and the Member is an employee of a public service employer.
5. The QROPS is an occupational pension scheme and the Member is an employee of a sponsoring employer under the Scheme.

The transferred funds remain assessable within the receiving QROPS until the relevant period has elapsed.

¹ Or a transfer of UK tax relieved funds in a Non UK Scheme.

² EEA includes EEA includes Gibraltar, Liechtenstein, Norway and Iceland in this context.
